LAURIUM
POPULAR BOYS'
VOTING CONTESTLAURIUM CELEBRATION COM-
MITTEE WILL GIVE PONY
AND OUTFIT AWAY.

"How would like to get a Shetland pony, cart and harness all for nothing?" is the question that will be asked the boys of Calumet township between now and the Fourth of July.

At a meeting of the Laurium executive committee last evening for the purpose of making plans for the Fourth of July, it was decided to hold a popular boy-voting contest, open to any boy in this township up to 15 years, inclusive, the winner to be presented with a Shetland pony and outfit. It is the first time the boys have been given an opportunity to win such a splendid prize, and it is predicted that the voting will be keen and spirited.

Eleven boys have already entered the contest and more will enter daily. Any boy 16 years or under can hand in his name at the Laurium State Savings bank, or the Johnson Vivian store.

Ballot boxes are to be placed in different stores in the township and each penny placed in them will count one vote.

There will be no queen contest. The boys are to be given a chance this year.

Officers and Committees.

The following officers and committees for the celebration were named last evening:

Officer of the day—Joseph Willis.

IS VIOLATION
OF STATE ACTSALE OF TOY PISTOLS AND CER-
TAIN EXPLOSIVES PRO-
HIBITED.

It is against state law to sell toy pistols and certain other explosives, and local merchants will do well to observe it.

As the act was passed by the legislature only last year, there are many who are ignorant of its existence. The act reads in part as follows: "It shall be unlawful for any person to sell or keep for sale any blank cartridge, toy pistol, toy gun or toy cannon that can be used to fire a blank cartridge; or to sell or keep for sale or to fire, explode or cause to explode any blank cartridge or bomb; or to sell or keep for sale, or to fire, explode or cause to explode any fireworks containing any picric acid or picrates, or substances of a like nature, or any firecracker exceeding two inches in length and three eighths of an inch in diameter or of a greater explosive power than a firecracker of this size containing black powder only."

This section does not apply to illuminating fireworks set off between the hours of 7 o'clock in the morning and 12 o'clock midnight, excepting those containing picric acid or substances of a like nature. A stiff penalty is provided for the violation of any part of the act.

Cap and blank cartridge pistols are particularly dangerous on account of the fact that injuries resulting from them often lead to lockjaw.

SACRED HEART EVENTS.

High School Students Entertained Reception to Graduates Held.

Tuesday afternoon, June 11, the students of the Sacred Heart school entertained a party for the members of the eighth grade. A dainty luncheon was served, which was heartily enjoyed by all present. During the remainder of the afternoon various pleasant amusements were in progress.

Fred S. Eaton, Prof. Espey, Joseph Willis, Charles Oakes and J. Bruce Patton.

duled in. The occasion was a most enjoyable one.

Thursday afternoon, June 13, the annual reception was held in honor of the graduating class of 1912. A short program was given, which all enjoyed. Following this a delicious repast was served. After luncheon dancing and amusements afforded pastimes for the evening. The S. H. S. orchestra rendered their kind services.

The auditorium and tables were elaborately decorated, the predominant colors being purple and white, the class colors of the seniors, and yellow and white the respective class colors of the Juniors.

Sacred Heart Exercises.
The class day exercises of the Sacred Heart high school will take place Monday evening in the high school auditorium, and the graduation exercises Wednesday evening of the same week. Rev. Fr. Bucholz, of Negaunee, will deliver the commencement address. Splendid programs will mark both occasions.

WOMAN'S MOST SUCCESSFUL MEDICINE

Known All Over The World—Known Only For The Good It Has Done.

We know of no other medicine which has been so successful in relieving the suffering of women, or received so many genuine testimonials, as has Lydia E. Pinkham's Vegetable Compound.

In nearly every community you will find women who have been restored to health by this famous medicine. Almost every woman you meet knows of the great good it has been doing among suffering women for the past 30 years.

In the Pinkham Laboratory at Lynn, Mass., are files containing hundreds of thousands of letters from women seeking health, in which many openly state over their own signatures that they have regained their health by taking Lydia E. Pinkham's Vegetable Compound.

Lydia E. Pinkham's Vegetable Compound is made from roots and herbs, and is perfectly harmless.

The reason why it is so successful is because it contains ingredients which act directly upon the female organism, restoring it to healthy and normal activity.

Women who are suffering from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

CHEWS GUM, LOSES TOOTH

Mrs. Lena Stevel was chewing gum in her home in New York, when suddenly she shrieked, then gasped. Her family gathered about her, but she could not speak, simply pointing to a place where a false tooth was missing, and then to her throat.

An ambulance in charge of Dr. Stole raced from the Presbyterian hospital.

"Swallowed your tooth?" asked the doctor.

Mrs. Stevel made a great effort and replied:

"I certainly did, and it's gone down, chewing gum and all."

She was taken to the hospital.

COLLISION BETWEEN BULLETS

It is not often that two bullets meet in midair. It undoubtedly has happened, but neither has left enough of itself to tell the tale.

Here, however, is a case of a bullet striking and piercing another bullet. It happened in a recent shooting contest at Grenoble, France, when a Belgian lead bullet was struck by a copper bullet fired from a new model Lebel rifle. The bullets were found sticking in the butt in the position in which the accompanying photograph shows them. The Belgian bullet had struck the target first and the French bullet had followed it.

Recovery of \$400, lost the other day, netted W. P. March, a Chicago contractor, a like amount in bets at Atlantic City. When he lost his wallet other members of the Chicago Building Exchange made up a purse of \$400 as a bet that he would never see his money again. They figured they had a 500,000 to 1 chance on the honesty of that number of visitors at Atlantic City.

March took the long chance and doubled his money. The wallet was picked up by Robert H. Clutch, of Philadelphia, and returned.

CAT NURSES YOUNG SKUNKS

Susie, a pet cat owned by Walter C. Belcher, of Brockton, Mass., gave birth to kittens a few weeks ago. She appeared happy until Mr. Belcher sold them after two weeks to admirers of the tribe. Soon afterward the cat went into a wood and the next day came home proudly with two young skunks. She has become attached to them and plays with them as she would with her own kittens and Mr. Belcher has decided to let them remain under her care.

FINDS PURSE AND WINS BET

New York, June 15.—Johnny Coulon of Chicago, the bantam weight champion who knocked out Frankie Hayes of St. Louis in the fourth round at New Haven, Conn., Tuesday night, protested here against the claim made in New Haven that the bout was a fake. Coulon said:

"The news that I was nearly drowned at Staten Island on Monday had reached the New Haven fans, causing them to think I wouldn't be in condition to fight. There was only about \$200 in the house, and I had been guaranteed \$1000, win, lose, or draw. The guarantee had a clause attached whereby I forfeited the thousand if I was disqualified, so I fought carefully in order not to give them the slightest chance to call a foul."

"The fight was fast, but Referee Fitzgerald cautioned me unnecessarily several times, so I was doubly careful. When he quit the ring I hit the third, declaring the bout a 'frameup,' the chief of police, who was at the ring-side, promptly ordered the fight to go on and made the announcer referee."

DECIDES SEVERAL CASES.

Cincinnati, O., June 15.—Two cases brought to the attention of the national baseball commission were decided against the Philadelphia National League club. The Philadelphia management was fined \$100 in each case.

The Milwaukee club of the American association will have to pay the Chicago Nationals \$500, the amount of the first installment on the purchase of Player McIntire. Milwaukee returned McIntire to Chicago, claiming he was not in good condition.

In the case of O. W. Moore, who was sold to Los Angeles by Louisville, the commission held that the player's refusal to report promptly to Louisville relieves the two clubs of responsibility.

SPORTING
FIGHTERS WORK
HARDER AS BIG
GO APPROACHES

Las Vegas, N. M., June 15.—Both Jack Johnson and Jim Flynn cut loose in training quarters yesterday. Long drills over the hills in the morning were followed by busy sessions in the gymnasium in the afternoon.

Flynn entertained a banner week day crowd. His workout lasted exactly one hour and ten minutes, and never for a second did the fireman let up. He began by going through his usual course of gymnasium stunts and every time he moved from one apparatus to the other, or quit his handball game with Howard Morrow for the bag punching stand, he went on a trot.

Flynn Boxes Nine Rounds.
Flynn boxed nine rounds, all of full three minutes duration. Tommy Ryan came first. They went three rounds, and while the suite of Syracuse unceremoniously full assortment of side-stripping and trick work, the fireman always was on top of him. Flynn next sparred two rounds with Ray Marshall, and then two with Al Williams. Flynn almost stopped Williams in the first round, Howard Morrow got two rounds for the windup.

Johnson limited his boxing to six rounds, three with Marty Cutler and three with Chivvin Regress, but was busy on his outdoor platform for a full hour. The last round of each retro ran five minutes. Johnson punched the last fourteen minutes, shadow boxed for five minutes, and tossed the medicine ball around for eight minutes.

Portable Arena Arrives.
The portable arena, arrived from Kansas City and was hauled to the site at the foot of Sixth street. The seating capacity is 17,450. Fans in the last row will be only sixty-seven feet away from the ring.

Johnson announced that he would take a bet offered by a number of Wyoming and Colorado men that Flynn would win on July 1.

Johnson announced his readiness to post a certified check for \$16,000 against \$3000 offered on Flynn.

JOHNNY COULON DENIES HIS BOUT WAS FRAME UP.

New York, June 15.—Johnny Coulon of Chicago, the bantam weight champion who knocked out Frankie Hayes of St. Louis in the fourth round at New Haven, Conn., Tuesday night, protested here against the claim made in New Haven that the bout was a fake. Coulon said:

"The news that I was nearly drowned at Staten Island on Monday had reached the New Haven fans, causing them to think I wouldn't be in condition to fight. PLAY TWO GAMES
HERE TOMORROWMARQUETTE AND CALUMET UN-
ABLE TO MEET TODAY BE-
CAUSE OF RAIN.

The Calumet and Marquette teams of the Iron-Copper league will play a double-header tomorrow afternoon at the Laurium park, the first game beginning at about 1:30 and the second about 3 o'clock. Brad Valliere, who has signed with Calumet, coming here from Fort Wayne in the Central league, will pitch the first game, while Jack, Calumet's star Chicago twirler, will work in the second. Cooper will be behind the bat, in all probability.

The Calumet infield likely will be strengthened by the addition of Al Williams, the former Mohawk star, at short. Williams has been playing high class ball with the Berlin, Ont., league team but as a first class shortstop was wanted here and the proper inducements were offered. Williams has decided to return to Calumet. It was expected that he would arrive here today, in which case he will surely appear in the line-up tomorrow afternoon.

McLaughlin will be on first for Calumet, Kaiser at second, Williams at short, Cross at third and Lobb, Chas. Wagner of Hurontario and Hogan in the field. Hansen, formerly with Ishpeming, and a man who showed up well with that team, may try out with Calumet in one of the outer gardens tomorrow. Hansen is a clever fielder, as he showed in the games he played here with Ishpeming, and is also a heavy hitter. He came here and offered his services for a trial and they were accepted. If he proves the man the management of the team believes he is, he will be signed.

The fans will be pleased to see Art. Warren handling the indicator as they know him as a capable and impartial umpire, a man who knows the game in every particular and one who will rule the field while on it.

The Marquette team arrived today and looks like a mighty strong aggregation. This is the team's first appearance at Calumet. Miller, touted as the greatest pitcher in the league, will throw in one of the games for Marquette tomorrow. It was to have pitched this afternoon but the rain spoiled things, created a lake on the diamond and muddled up the field in general. The fans were disappointed, of course, but will be more than repaid by the double-header tomorrow for not having a game today.

A banner attendance is expected to-morrow afternoon. The Mohawk band will be at the park, and a bunch of Mohawk fans also.

Unpopular Hygiene.

Having received a hygienic education, the new partner in the bakery strongly recommended a paper wrapper for every loaf of bread delivered. "No good," he said. "People won't stand for it. We tried that once and the paper got so dirty before the bread was ready for delivery that everybody canceled their orders."
